

Advantage Height Adjustable Table

Simple | Versatile

Design exceptional collaborative spaces with our height adjustable table system

Advantage Height Adjustable Tables offer flexibility and comfort, allowing users to adjust the height for better posture and reduced strain. They can be quickly reconfigured for different tasks.

Offering a versatile solution for dynamic learning environments, the Advantage Height Adjustable Table range allows for seamless transitions between different activities, enhancing collaboration between students. With different sizes and colours, these tables were designed to ensure primary aged students receive their tables promptly to support their learning.

Features

- The Twist'n'Lock™ range offers versatile shapes to create a variety of settings suitable for your specific learning modality.
- High performance lockable castors allow a space to be reconfigured with ease.
- Reinforced polypropylene legs (Twist'n'Lock™) deliver ultra strength and durability.
- Pin-less leg system means no more broken pins.
- Patented adjustment grooves allows fast and easy adjustment.
- Six adjustable heights (from 520mm to 760mm) increase classroom flexibility.
