

# Integra Chair

Bestseller

Sebel™

## Iconic design, 30 years on

**Specifically designed for intensive use applications, the iconic Integra Chair was truly built to last.**

Proudly Australian made, our high performing and UV-stabilised Integra is lightweight, stackable, comfortable and ultra-durable, making it a perfect choice for any indoor or outdoor space. Plus, we have fire retardant options available for prison and institutional facility requirements.

Unrivalled in strength and durability, the Integra has been the chair of choice for leisure centres, prisons, institutional facilities, schools, universities, churches, community halls, recreational and sporting applications as well as alfresco dining. The list goes on!

### Features

- No assembly is required with this one-piece fully injection moulded chair with solid leg construction.
- Made from tough, hard-wearing polypropylene with reinforced ribbing to provide structural strength and controlled flexing while ensuring superior comfort.
- Supports a static seated load of 450kg.
- The high-tech polypropylene is stain resistant and contains anti-static and UV stabilisers.
- Smooth ungrained surface enhances the appearance and allows for low maintenance and easy cleaning.
- Light in weight, easy to move, yet strong and durable.
- Chairs can be stacked up to 15 high for easy storage.
- Stacked chairs can be manoeuvred easily with the use of the Integra Chair Trolley.
