

# Art Bench

## Perfect for collaboration and flexibility

**Group people together around this versatile Art Bench, ensuring that all users have a comfortable and practical space to express their creativity.**

Transform your creative classrooms with our versatile Art Bench, designed to meet the needs of school students and other design functions. This durable and practical bench, with a generous working space of 1200mm x 600mm and a height of 900mm, is perfect for a range of creative activities, from painting and sculpting to drawing and crafts.

### Features

- **Spacious and Sturdy:** The 25mm thick top with 1200x600mm surface, offers a generous workspace that accommodates any project, providing students with ample room to explore their creativity.
- **Built with a 32mm square leg H-frame design,** this bench ensures superior stability and support, making it suitable for busy classroom environments.
- **Durable Edge Protection:** Featuring core rigid edge colours, the bench is designed to withstand the wear and tear of daily use, keeping it looking new for longer.
- **Color Options:** Available in three different colors, this art bench can easily complement the existing decor of your classroom, adding a vibrant touch to your learning space.
- **Comfort and Accessibility:** With its 900mm height, this bench is suitable for a wide range of ages and is adaptable to various art activities, making it a versatile choice for K-6 and senior students alike.
- **Enhanced Learning Environment:** The available color options and sleek design create an inspiring atmosphere, encouraging students to engage in creative pursuits while maintaining a neat and organised classroom.
- **New Zealand Made.**
