A new
generation of
responsible
seating

Sebel RePlay is on a mission to reduce plastic waste.

By participating in Sebel's RePlay programme for seating, you're contributing to a greener planet by diverting plastic from landfills.

Sebel RePlay isn't just a programme; it's a movement. We're pioneering circular economy services, ensuring your Sebel seating gets a second chance.

It's a win-win for you and the environment.

Hit **RePlay** to renew your Sebel chairs for generations to come.

Sebel[™]

The Opportunity

Old Sebel chairs showing signs of sun damage, mechanical and physical wear are put away in storage.

Sebel collects these chairs for a small fee and returns them back to the factory for processing through a granulator.

The granulator breaks down the old chairs into recyclable plastic pellets, ready to be moulded into new chairs.

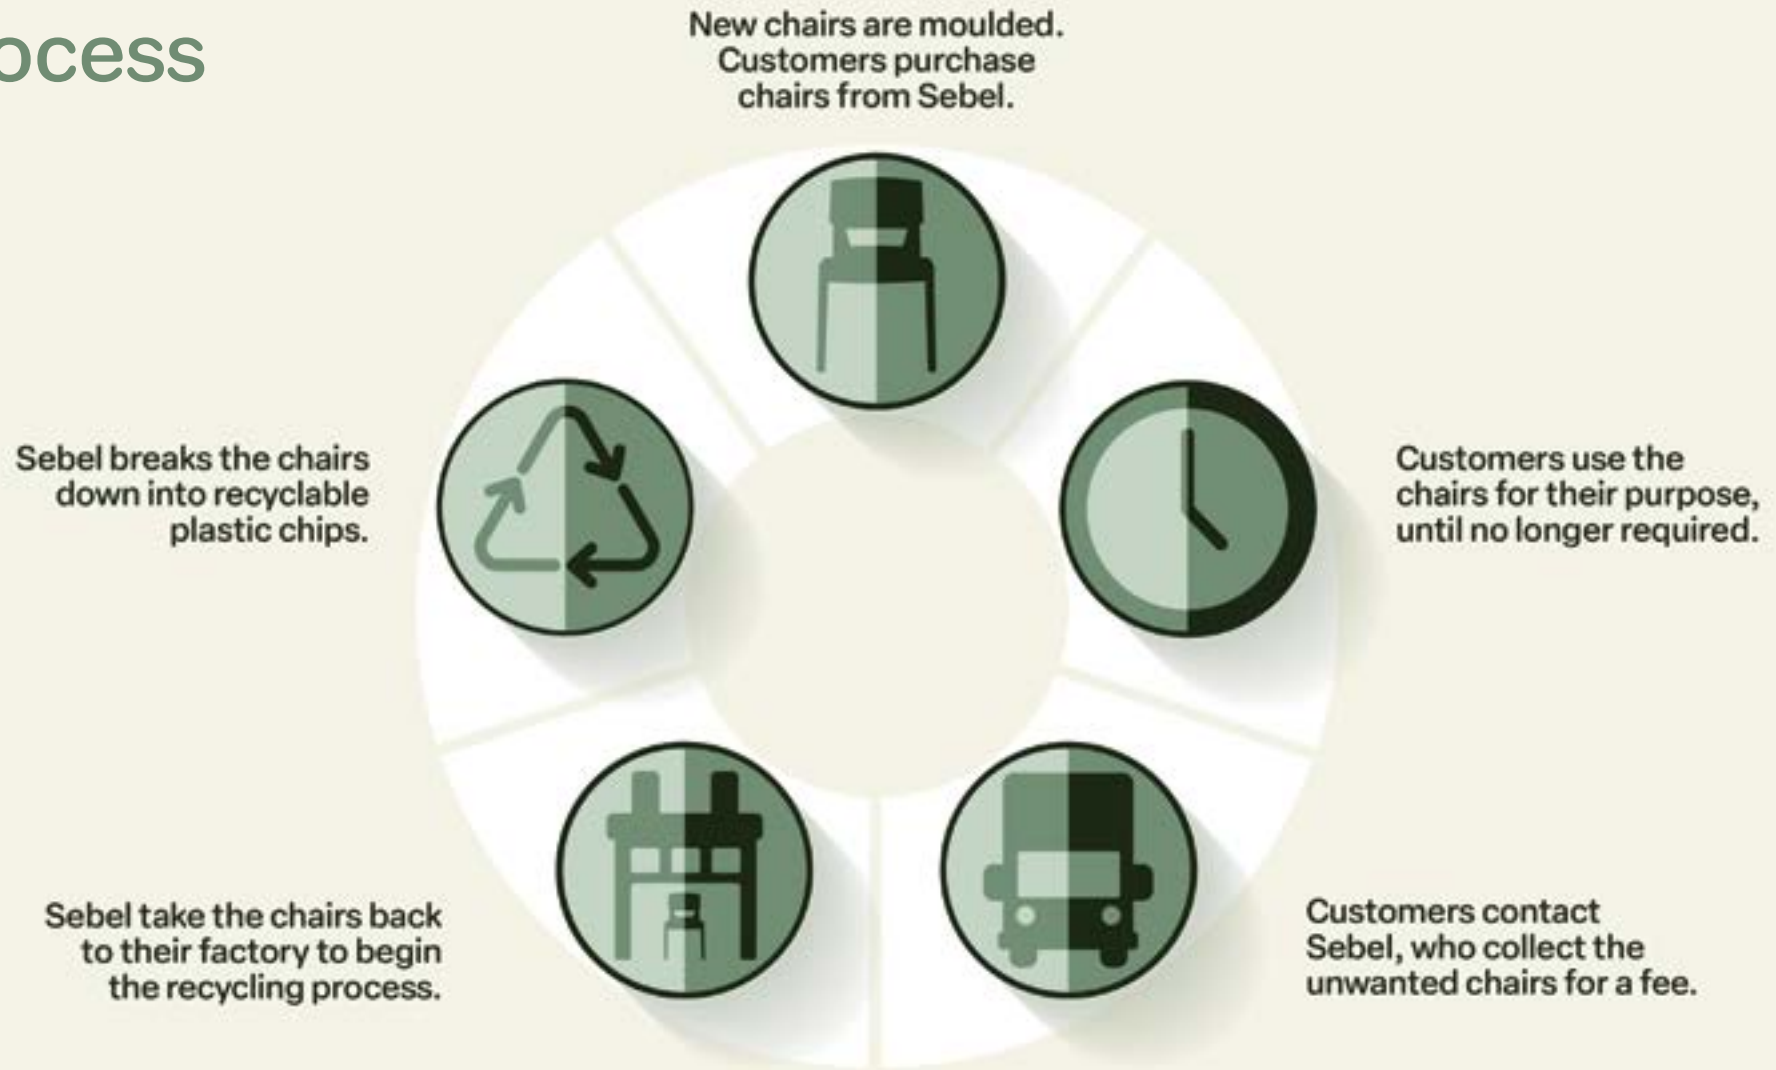

Sebel uses these recycled plastic pellets to create new products, ready to revitalise your space sustainably.
